

Europe Makine in the United States

Europe Makine ships, installs and services its machines from a Florida base, and it builds and runs a car wash of its own.

Ocala, Florida

Ali’s Car Wash on SW College Rd is a tunnel wash Europe Makine built, installed and runs day to day. Not a franchise, and it publishes the same telephone number as Europe Makine.

Wash type	Conveyor tunnel
Built and operated by	Europe Makine
Opening hours	9 AM to 9 PM
Telephone	+1 561 825 7363

A full-service tunnel in New Jersey

A Europe Makine tunnel at a New Jersey site washes 500 to 600 cars a day. Nine months in service, one fault in that time, a burst hose, repaired overnight.

Wash type	Full-service tunnel
Time in service	9 months
Faults in that time	1, a burst hose
Cars washed per day	500 to 600

Ocala figures are as published by Europe Makine at europemakine.com. The New Jersey figures were stated on site by the operator’s staff in August 2026. That site is not named here because its owner has not agreed to be identified.

A Europe Makine tunnel entrance at a car wash in Florida. The arch carries the Europe Makine mark, the entry instructions and a 7 ft 5 in height limit on the right hand leg.

Ali’s Car Wash, a tunnel type wash on Europe Makine equipment. The entrance arch stands on the forecourt, ahead of the wash bay. Published by Europe Makine, June 2026.

Installed and serviced from Florida

Europe Makine ve Dış Ticaret LLC works from Green Acres, Florida. The company that manufactures the machine is the one that ships it, installs it and warrants it.

We manufacture the machine

Car, truck, bus and rail wash systems, built to the published specification.

We ship and install it

Door to door shipping and installation are supplied with the machine.

We warrant it for six months

Six months warranty from installation, as published with the machine.

The next step is a proforma

Supplied with the machine: door to door shipping, installation, and six months warranty. Send us the site and the vehicles you expect to wash and we will return a proforma quotation at no charge.
